

*Board management topics to be discussed at the Dinner Forum.*

*Lack of commitment and engagement by board members.*

*We don't have clear term limits or chair/leadership rotation policies.*

*Wrong mix of people – board skills are out of line with agency needs.*

*Dysfunctional committees force board work to be conducted at meetings.*

*"I don't really want it" leadership.*

*The founder won't let go and my board goes along with that.*

*We don't know how to get good new board members.*

*My board doesn't understand its responsibilities.*

*The board comes to meetings, but not much else.*

*The board is managing staff.*

*We have confused "give get" expectations that cause resentments.*

*We are all over the map – the board raises off-strategy issues that are not in our plan.*

*Our mission passionate members have no money, and our money people aren't engaged in the mission.*
